

You held my hand and
gentled me when at times
I felt only despair.
I thank you for your
interest in me & above
all your kind heart
You're a special lady.

Dear Diana,

Your kindness
was appreciated
very much.
Sincerely

Victor + Beverly,

Thank you for all the
care you've given me!

I'm very happy with the
results. I can't wait to
see how I'll look 2 weeks
from now.

Thanks again for enhancing
my natural beauty.

Love

Deedi
