

DEAR Dr. Becker; Staff

I WANT to thank you  
For treating MYSELF and  
Cousin, Keonissa AS if we  
were part of your Staff  
Family, and showing us  
the Extra Special Attention  
and Consideration that being  
A part of your team would  
receive.

Most Sincerely  
Valerie

Time is a gift we receive with  
life. What we do with that  
time is our gift back...

Dr. Becker,

Thank you for spending  
your time making the world a  
more beautiful place. You and  
your staff made me feel very  
safe with making a change.  
Thank you for going out of  
your way. Sincerely,  
Keonissa
