

Dr. Becker + Staff,

Thanks so much  
for easing my worries  
and making me feel very  
comfortable with the decision  
I chose. I am very pleased  
with the results. And would  
highly recommend your office  
to anyone who is wanting to  
improve themselves. I feel like  
a ~~new~~ person.

Sincerely,

Gayle

P.S. In the  
future you can  
use me as a  
reference + give  
my phone number.

Thanks for being  
so nice + caring!
