Dear Dr. Becker and staff

After 3 weeks since my liposuction I feel I owe you a big THANK YOU.

I feel very well and my legs are looking better with every day that passes, I am very happy indeed.

Once again, thanks very much to you, your nurses and staff, you have all been very caring and understanding.

Sincerely ,

*Dear Dr Becker And Staff,
Thank You For You Care And
Kindness. Lisa And Liz Were
So Helpful Early On When We
Were So Confused & Once We
Began Seeing You, Lutchme And
The Dr Made Us Feel So
Comfortable.
Sincerely,*

You have just received a beautiful fresh flower arrangement, live plant or gift basket. We hope you are thrilled! Please think of us for your future gift giving needs and make someone you care about smile! Call us at
