

Dr. Becker and staff!

Thank you for all the love
and attention. I know I'll

love the "new" me in
ten years as much as I
do today. I feel so lucky
to have been under your

care. You can use me as
long distance reference!
your Syracuse
admirer!

Dear Dr. Becker,

OCT 1, 2001

I want to thank you for your many expressions
of kindness to me. For all the beautiful work you did
on my face and for most recently, helping me with
my pre-op arrangements for breast surgery. The
tumor was removed Friday afternoon. It was benign.
Thank the Good Lord; I am truly blessed!

It was good to know, during that period of
uncertainty, that if they had found the cancer they
were suspicious of - you were there. To put me
back together again.

(A special thank you to Kitchmie for the time
& effort she put into helping me.) Best Regards,
Dale
