Dear Dr. Becker:

I just wanted to take a moment to write this letter to thank you and your staff for your kind service, attentive professionalism and quality of work. I must say that I am very pleased with my pockmark removal, both in the healing process and in the outcome of the way it now appears. Throughout all of my visits, you and your staff have always exhibited a warm and caring demeanor, which certainly has made the entire process even less of a stress at all. Expect to see or hear from me again as I anticipate having more work done in the future or when I refer friends and colleagues to your office for their procedures. Again, thanks very much.

Respectfully signed,
