

To: all the staff of Dr. Becker's  
office and Dr. Becker,

Thank you so much for  
everything you did to help  
me arrive at my "new look."  
I've never been around a  
more pleasant and supportive  
group of people. Everyone  
was very helpful. I will be  
more than eager to refer  
others to you.

Thanks again!  
Arita
